

Upland Hills Health, Inc.
FINANCIAL ASSISTANCE POLICY SUMMARY

It is the policy of Upland Hills Health, Inc. (the "Hospital") to provide financial assistance to qualifying patients with their outstanding bills for medically necessary and emergency care provided at the Hospital.

PATIENTS THAT QUALIFY FOR FINANCIAL ASSISTANCE

To receive financial assistance under the Financial Assistance Policy (the "Policy"), you must be *financially indigent* **or** *financially and medically indigent* **or** *medically indigent*.

Financially Indigent

To be "financially indigent," you must be uninsured or underinsured and have a household income equal to or less than 400% of Federal Poverty Level ("FPL"). However, even if your household income equals or is below the required FPL, you may not qualify as "financially indigent" if your net worth exceeds \$175,000. Net worth is determined based on your assets, including any homes, land, or property, etc. net of any liabilities other than your Hospital bills. If you qualify as "financially indigent," financial assistance will be provided based on a fee scale comparing household income to a percent of FPL as set forth in the Policy.

AND

Medically Indigent

To be "medically indigent" you must have medical bills from the Hospital that exceed 25 percent of the greater of your annual household income or net worth. If you qualify as "medically indigent," you will be responsible for your Hospital bills up to this amount, and the remaining amount will be considered financial assistance.

If you are eligible for financial assistance, you will not be charged more than amounts generally billed to patients who have health insurance. You may be given more financial assistance if the discount for which you qualify does not satisfy this requirement.
