

Adult & Pediatric CPR/AED

The Adult and Pediatric CPR/AED course incorporates the latest science and teaches students how to respond to breathing and cardiac emergencies to help victims of any age – adults (about 12 years and older) and pediatric (infants and children up to 12 years of age).

Students who successfully complete this course will receive a certificate for Adult and Pediatric CPR/AED valid for two years. The intended audience for the courses in this program includes lay responders in the workplace and community taking this course to fulfill employment requirements, or to provide for the safety and well-being of their friends, family, and community or for personal satisfaction.

We reserve the right to cancel a class. A minimum of 3 participants is required to run a class. In the event that a class would need to be cancelled, due to low enrollment, you will be contacted within a minimum of 3 business days. If you are unable to attend a class you have registered for, please notify us within 72 hours of the scheduled class to make the space available for another participant. Registration fees may be transferred as credit for other upcoming educational offerings, or a 50% refund issued. There will be a \$20 processing fee for transfers & cancellations. There will not be any refund for no shows.
